Total scam, avoid! They took some old crappy bakery simulator and re-decorated it. Even left "bread" and "bakery" in some places, were lazy to translate it properly, I guess. Interface is bad and confusing, engine is very outdated. They marked it as "adult" game with "sexual content" and put a high price. There is nothing of it there.. No fullscreen resolution so you get a really small 800x600 with blackbars locked good luck at reading the how-to-play guide. No lewd scene and no controls like a options to configure.. No fullscreen resolution so you get a really small 800x600 with blackbars locked good luck at reading the how-to-play guide. No lewd scene and no controls like a options to configure.. Literally, the first time of my life, am I writing a review due to my disappointment to the game I bought and only after a few minutes I can tell that I am hating it. There are NO INGAME instructions how-to-play nor are there any tutorials. The game is left into a mess where you are forced to l2p, which I am fine tbh. But having NO HINTS, I am unfortunately unable to figure it out without proper interest. I do LIKE AND LOVE, the idea of the game, that is really good thing and the reason WHY I bought it in the first place, but as long as there are no REASON to play the game, I refuse to play it any further without proper guidance. I believe the developer took the time to
