Title: The Fall Official Soundtrack
Genre: Action, Adventure, Indie
Developer:
Over The Moon
Release Date: 17 Dec, 2014

b4d347fde0

English,French,Italian,German

The soundtrack goes well with the game and its atmosphere, which I really enjoyed, but overall, it's very forgettable. No track really stands out as one I would want to listen to outside of the game.. 9/10, great game great atmosphere, and an amazing soundtrack.
